

Leibniz Quality in Teaching Quality Seal

With this certificate, the Presidential Board awards the degree programme in

Wirtschaftswissenschaft (M.Sc.)/ Economics and Management (M.Sc.)

the LQL quality seal for study programmes at Leibniz University Hannover. With the award of the LQL quality seal, the Presidential Board confirms that the afore-mentioned programme meets the standards of programme accreditation currently applicable and that this has been verified by the Leibniz Quality in Teaching review process involving external experts.

The LQL quality seal is valid until 30 September 2025.

The condition for the validity of the LQL quality seal is the successful completion of any conditions attached to the award of the LQL quality seal in the time period defined.

Hannover, dated 10 July 2019

Professor Dr. iur. Volker Epping
President of Leibniz University Hannover

Professor Dr. Elfriede Billmann-Mahecha
Vice President for Teaching and Academic
Programmes

Leibniz Universität Hannover was awarded the institutional accreditation quality label by the Accreditation, Certification and Quality Assurance Institute ACQUIN on behalf of the Accreditation Council on 30 September 2017.
